Dear Mr. Mokbil,

As you have concluded your term as a special procedures mandate holder of the United Nations Human Rights Council, I would like to express my sincere gratitude for your work as member of the Working Group on the use of mercenaries as a means of violating human rights and impeding the exercise of the right of peoples to self-determination. The professional expertise, commitment, time and energy that you have invested have significantly contributed to the achievements of the mandate.

I would also like to express my highest appreciation for your proactive and substantive responses to the COVID-19 situation and your commitment to respond to the expectations of right holders worldwide until the very end of your mandate despite the difficult circumstances.

I hope that we will have the opportunity to continue our cooperation for the promotion and protection of human rights and would like to wish you all the best for your future endeavours.

Yours sincerely,

A handwritten signature in blue ink, which appears to read "M. Bachelet".

High Commissioner for Human Rights
